

ORDER

No. ЗПС-384/01.09.2020

Pursuant to Art. 32, para. 1, item 1 of the Higher Education Act, Art. 25, item 1 of the Regulations of the University of Forestry, Order No. РД-01-489 of 31.08.2020 and Order No. РД-01-487 of 31.08.2020, issued by the Minister of Health, and in order to ensure the quality of training, I enact the following measures:

1. The validity of the provisions, related to the non-attendance implementation of activities, stipulated in orders No. ЗПС-177/12.05.2020 and No. ЗПС-286/24.06.2020, issued by the Rector of the University of Forestry, shall be suspended.
2. The attendance work at the university shall be resumed as follows: the administrative staff and employees - as of 01.09.2020; the student canteen - as of 14.09.2020; the academic staff of the University of Forestry – as of 08.09.2020, and the training of students – as of 08.09.2020.
3. The activities of foreign trainees shall be carried out in compliance with the current requirements of the country of origin, and in accordance with the provisions, stipulated in the orders, issued by the Minister of Health of the Republic of Bulgaria, and may be conducted in absentia through an e-learning environment, if necessary.
4. The diplomas of the graduates shall be handed over in the deans' offices in compliance with the anti-epidemic measures.
5. The procedures for attestation of university lecturers for the academic year 2020/2021 shall be carried out in accordance with the schedule, approved by the Rector's order.
6. The admission campaign shall be conducted according to the announced schedule.
7. The anti-epidemic measures shall be envisaged and implemented when planning and carrying out the business trips.
8. The meetings of the collective management bodies shall be conducted in person, in compliance with the anti-epidemic measures.
9. All lecturers, administrative staff and trainees shall observe the anti-epidemic measures, imposed by orders of the Minister of Health in relation to the implementation of the working and training process.
10. Persons with manifestations of acute respiratory diseases, i.e. fever, cough, breathing difficulties, lost sense of smell, disturbed or lost taste, etc., shall not be allowed to the working premises.

11. The Deans of faculties and the Assistant Rector shall establish and maintain the organization for the implementation of orders No. PД-01-487 of 31.08.2020 and order No. PД-01-489 of 31.08.2020, issued by the Minister of Health, and of the present order.

12. The organization of the working and training process may be changed in accordance with the epidemic situation in the country. In this respect, the Deans of faculties and Heads of departments shall take the respective measures ensuring the readiness for transition of the training and working process to an electronic environment, if necessary.

The control over the execution of this order shall be assigned to the Heads of sectors, units and centres, Heads of departments, Deans of faculties, Assistant Rector and the Vice Rectors.

The present order shall be brought to the attention of the students/trainees, academic staff members, and administrative staff of the University of Forestry for information and execution.

CORRESP. MEMBER, PROF. DSc. IVAN ILIEV

Rector of the University of Forestry
