level

Social skills and competences

Effective teamwork and excellent communication skills

Organisational skills and competences

Well organized and efficient

Technical skills and competences
immunology,

Working with specialized veterinary equipment (in the area of
haematology and Infectious animal diseases

Computer skills and competences MS Word, MS Excel, MS Power Point

Driving licence(s)

Yes B + C

Additional information

Research interests:

- Immunology and immunopathology
- Immunomodulators
- Probiotics and biologically active substances

Participation in international scientific events:

- **Macedonia 2014**
- Romania (2014, 2015)
- Russia 2015
