

Vet Trainee in Purina

"I want to make the most of my potential and get more out of my career"!

The Nestlé needs YOUth Initiative will offer jobs to 20,000 people under the age of 30 and create 15,000 apprentice positions and traineeships by 2020 in Europe, Middle East and North America. In the period, 2014-2016, more than 300 youths received job or internship opportunity in Nestlé Bulgaria.

Do you want to be a part of a project development and implementation? Are you enthusiastic to communicate and negotiate with current and potential key customers?
Are you thrilled by multicultural environment and experiences?

If you are ambitious, results driven and passionate young professional, you may be the perfect fit for our Purina team in Nestlé business for the period of 9 months.

Key responsibilities of this role will include:

- Developing and implementing programs and strategies to expand Purina's partner network;
- Following market trends and presenting creative ideas;
- Support the implementation of various initiatives for Vet & Breeder channel;
- Participate actively in meetings, trainings and sessions in order to broaden knowledge of Nestle products and activities;
- Increase sales and contribute into the successful implementation of the program;
- Support Student Initiatives.

Who are we looking for?

- University degree or last year of education in Veterinary Medicine or Veterinary Engineering;
- Upper-intermediate level in English;
- Ability to communicate, negotiate and build sustainable relationships with key customers;
- Persuasive, open minded and a team player;
- Prioritize and manage multiple projects with fast-moving deadlines;
- PC skills: MS Office (Word, Excel, Power Point);
- Driving license;
- Experience as a veterinarian will be considered as an advantage.

We offer:

- Open and secure work environment enhancing further development;
- Opportunity to work in an international company with high standards and multicultural diversity;
- Dynamic job with exposure to experts with various educational and professional backgrounds;
- A rich social benefit package;
- Labor contract (8-hour working day).

All applications will be considered. Only short-listed applicants will be contacted. All documents will be treated in strict confidentiality. We are looking forward to receiving your application!
